

Ground-floor plan and section

Accommodation has been neatly consolidated into a nearly square plan inspired by a judo mat. Overnight accommodation has been hived off to a single-storey block that has been “pulled out” like a drawer from the main building.

- 1 double-height judo hall
- 2 entrance hall
- 3 changing rooms
- 4 social space
- 5 viewing gallery
- 6 12-person overnight accommodation
- 7 paved courtyard with concrete seats
