Methodology

More than 500 firms were contacted for this year's survey. They were sent a survey form asking for details on the number of chartered staff, non-chartered and technical staff they employ, domestic and worldwide fee incomes, and fees per employee.

Practices were also asked questions relating to: speed of invoice payment, staff

recruitment, likely wage increases, margins, areas of work, staff salaries, the age of staff, IT spend, and overseas expansion plans. Apart from fee incomes per employee, the data in the league tables are taken directly from firms' replies.

The survey does not claim to be the definitive guide to consultants as it relies on firms completing and returning the annual survey form. For a variety of reasons, firms sometimes decide not to take part.

Survey newcomers include: Airey Miller Partnership, AKSWard, Avanti Architects, Bidwells Building Consultancy, Brinson Staniland Partnership, Buttress Fuller Alsop Williams, CR Management, DBK Back, Dearle & Henderson Consulting, Dunlop Haywards, Goring Berry, Hall & Partners, Hannah-Reed, Harley Haddow, Haskoll, Hill International, Hulley & Kirkwood, Intergrated Project Management, Jefferson Sheard Architects (UK), jmarchitects, Lee Baron Group, Lend Lease Projects, LHC Group, Llewelyn Davies Yeang, Matiland QS, Norman Rourke Pryne, Powell Dobson, Pozzoni Group, Purcell Miller Tritton, Race Cottam Associates, Royal Haskoning, Simon Fenton Partnership, SMC Group, T Dunwoody & Partners, Thomason Gray Partnership, Thornton-Firkin and Partners, Upton McGougan, Whitelaw Turkington.

Companies unable to take part include:

Allen Group, Architects Design Partnership, AWW, Blyth & Blyth Consulting, Brodie Plant Goddard, Carey Jones Architects, Charter Consultant Architects, Chetwood Associates, Devereux Architects, Donaldsons, Edward Symmons, Frank Shaw Associates, Fulcrum Consulting, Halliburton KBR, Jackson Coles, Jones Lang LaSalle, JSA Consulting Engineers, Knapp Hicks & Partners, Lacey Hickie Caley, Leach Consultancy, Maccanvilles, McAndrew Martin, Michael Barclay Partnership, National Design Consultancy, Northcroft, P & HS Architects, Peter Brett Associates, Pollard Thomas Edwards Architects, Pringle Brandon Group, Robinson Low Francis (RLF), RTKL, Ruddle Wilkinson Architects, Slender Winter Partnership, Squire & Partners, Swanke Hayden Connell Architects, The Miller Bourne Partnership, Wakemans, Waring and Netts, Watson Batty Architects & Surveying.
